THE SCHOOL/VET/COLLEGE WE NEED JEDI ACADEMY SCHOOL

First I learn hard skills
(FIGHT)

Then, I learn soft skills
(THE FORCE)

Finally, I decide how I use them
(MORAL)

WHY DO WE WALK THE WAY?

We need **fuel** or **energy** to move from the first to the last point.
GRIT is your energy, a combination of **passion** and **perseverance**.

We need to walk in a correct direction. The purpose marks us the direction.

(Man's Search for Meaning, Viktor Frankl)

WHICH TOOLS WE NEED TO WALK THE WAY?

5 mindset for the future

- ① The Disciplined Mind
- ② The Synthesising Mind
- ③ The Creating Mind
- ④ The Ethical Mind

guided by purpose

any movement need energy

This energy is call **Grit** : passion and perseverance

WHAT WE MUST LEARN?

In order to arrive at moral and ethical skills, we must first learn hard skills and soft skills.

This learning process is essential because it is a **cognitive process**.

This process serves to **understand and process emotions and abstract conceptions (morality)**.

Best practice

Project Zero's mission is to understand and nurture human potentials –such as learning, thinking, ethics, intelligence and creativity – in all human beings. Our research examines the nature of such potentials, the contexts and conditions in which they develop, and the practices that support their flourishing.
